Established with a commitment to academic excellence, innovative research, and holistic development, the University provides a supportive and inclusive environment where diverse ideas thrive, empowering every member to achieve their fullest potential.

Guided by principles of integrity, respect, and social responsibility, Siddhartha University (SU) aims to contribute meaningfully to the global community for the common good. The University, with its experienced faculty, offers a top-notch education integrating theory and practical skills, preparing students for success in a rapidly evolving world through engaging lectures, handson learning, and advanced research opportunities.

This document outlines the academic culture, procedures, and regulations of the courses taught at SU, specifically for the5 year Integrated Undergraduate Degree programsin Law i.e**1) B.A.LL.B program, and 2) B.B.A.LL.B program** effective from the academic year 2026-27.

1. ABOUT THE UNIVERSITY

1.1 Introduction

Siddhartha Academy of Higher Education aims to promote educational excellence with a holistic approach. Sponsored by the Siddhartha Academy of General and Technical Education (SAGTE), formed in 1975 by 250 philanthropists, the University aims to promote educational excellence with a holistic approach.

Catering to the educational needs of the region, 18 academic institutions have been established, offering education from kindergarten to postgraduate levels. With the evolving academic landscape and regulatory requirements, SAGTE established Siddhartha Academy of Higher Education as a deemed-to-be University in 2024 to further its mission of providing impactful and innovative education. SU provides a comprehensive experience to its students, promoting research, skill development, real-life problem-solving, and entrepreneurship.

1.2 Vision

To be a center of excellence in education, innovation, and research with a global presence in arts, science, technology, medicine, management, legal studies, and social studies, enriching the frontier areas of national and international importance.

1.3 Mission

- To create a transformative educational experience for students focused on problem-solving skills, communication abilities, interpersonal relations, and leadership.
- To cultivate a vibrant university community that attracts and retains diverse, worldclass talent, creating a collaborative environment open to the free exchange of ideas where research, creativity, innovation, and entrepreneurship can flourish, ensuring individuals achieve their full potential.
- To impact society pragmatically—regionally, nationally, and globally—by engaging with industry, outstanding national and international universities, and research organizations.
- To be a global university that nurtures excellence in education and innovation, fostering a knowledgeable society.

1.4 Academic Planning

The Academic Council, chaired by the Vice-Chancellor and comprising Deans, HoDs, selected faculty members, external experts, and special invitees, governs the academic activities of SAHE. The Council oversees teaching, learning, and evaluation, while academic administrators handle curriculum revision, assessment procedures, and the introduction of new programs. The University monitors academic progress, faculty performance, and student discipline, providing guidelines for teaching and learning processes and framing rules for program implementation, leading to degrees and certificates.

1.5 Quality Policy

"The University is committed to pursuing excellence in **academics, innovation, research, and entrepreneurial development** in an **ethical, sustainable, and inclusive manner**, while creating a meaningful societal impact."

6.3 Marks Distribution

The distribution of marks across the semesters is depicted in the following table:

Semester	**Theory Courses**	**Practical Courses**	**Total Courses**	**Marks**
First Semester	4	1	5	500
Second Semester	4	1	5	500
Third Semester	5	.....	5	500
Fourth Semester	5	.....	5	500
Fifth Semester	5	.....	5	500
Sixth Semester	5	.....	5	500
Seventh Semester	5	.....	5	500
Eighth Semester	5	.....	5	500
Ninth Semester	5	.....	5	500
Tenth Semester	4	1	5	500
Total Marks	47	03	50	5000

6.4 Medium of Instruction and Examination
The medium of instruction and examination shall be in English.

7. CREDIT SYSTEM AND GRADE POINTS
7.1 Credit Definition
Credits quantify and recognize learning, measured in contact hours per week in a semester.

- **1 Hour Lecture (L) per week = 1 credit**.
- **1 Hour Tutorial (T) per week = 1 credit**.

7.2 Credit Distribution: Credits are allocated as follows:

Semester	Courses (Theory)	Courses (Practical)	Total Credits
FirstSemester	4× 6	1x6	30
Second Semester	4 × 6	1x6	30
Third Semester	5 × 6	.....	30
Fourth Semester	5 × 6	.....	30
Fifth Semester	5 × 6	.....	30
Sixth Semester	5× 6	.....	30
Seventh Semester	5 × 6	.....	30
Eighth Semester	5 × 6	.....	30
Ninth Semester	5 × 6	.....	30
Tenth Semester	4 x 6	1x6	30
Total Credits	282	18	300

7.3 Grade Points and Letter Grades for a Course
Grading is based on a maximum of 100 marks for each course, as follows:

UG GRADE SYSTEM
Marks, Grade points, and Grades

Marks (Theory)	Marks (Lab/Project)	Grade Points	Letter Grade	Grade Description
90% and above	90% and above	10	Ex	Excellent
80 to < 90%	80 to < 90%	9	A+	Very Good
70 to < 80%	70 to < 80%	8	A	Good
60 to < 70%	60 to < 70%	7	B+	Above Average
50 to < 60%	55 to < 60%	6	B	Average
40 to < 50%	50 to < 55%	5	C	Below Average
< 40%	< 50%	0	F (Fail)	Fail
ABSENT	ABSENT	0	AB	--

7.4. Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

a. Semester Grade Point Average (SGPA):

The Semester Grade Point Average (SGPA) is calculated as the ratio of the sum of the product of the number of credits and the grade points scored in all the courses taken by a student to the sum of the number of credits of all the courses undertaken by the student. It is expressed as:

$$\text{SGPA} = \frac{\sum(C_i \times G_i)}{\sum C_i}$$

where is the number of credits of the **i**th course and is the grade point scored in the **i**th course.

b. Cumulative Grade Point Average (CGPA):

The Cumulative Grade Point Average (CGPA) is computed similarly, considering all the courses taken by a student across all semesters of a program. It is expressed as:

$$\text{CGPA} = \frac{\sum(\textbf{Ci x Si})}{\sum \textbf{Ci}}$$

Where is the SGPA of the **i**th semester and is the total number of credits in that semester.

- Both SGPA and CGPA shall be rounded off to two decimal points and reported in transcripts.
- Courses in which a student is awarded zero grade points will be included in the SGPA/CGPA calculations.

7.5. Conversion Formula for CGPA to Percentage of Marks

The approximate equivalence of marks to a given CGPA is calculated using the formula:

Percentage Equivalence of CGPA = (CGPA−0.75) × 10

8. EXAMINATIONS AND SCHEME OF EVALUATION

8.1. Description of Evaluation

- Continuous Assessment (CA): Students' performance is evaluated continuously throughout the semester by the faculty or course coordinator using various methods including sessional examinations/Moot Court exercises/Group Discussions/Assignments/Seminars/ Viva-voce/Active participation in extension activities, legal aid and legal awareness campaigns, and other activities covering the entire syllabus of the course.
- Summative Assessment (SA): SA shall be conducted by the controller of examinations at the end of each semester, as per the academic calendar and with a written examination for theory courses and practical/project examination, with an oral component for project courses.

8.2. Theory Courses
