

Department of Mechanical Engineering
V.R Siddhartha Engineering College
American Society of Mechanical Engineers (ASME)
Student section activities AY 2023-2024

| S.No | Event Title | Name and address of the Resource Person | Event Date | Participants |
|-------------|---|--|-------------------|---------------------|
| 1 | A guest Lecture on Energy Systems and Sustainability: Role of Second Law of Thermodynamics | Dr. B. V. Reddy Professor, Department of Mechanical and Manufacturing Engineering Ontario Tech University, Canada | 19/07/2023 | Students- 106 |
| 2 | A guest Lecture on Emerging application of advanced materials for energy storage and conversion | Dr. Mani Karthik Senior Scientist, ARCI Hyderabad | 9/11/2023 | Students- 112 |

| | | | | |
|---|---|---|------------|---------------|
| 3 | Guest lecture on Emerging wind energy technologies and hybrid systems | Dr.K.BOOPATHI Director & Division Head, Research & Development, National Institute of Wind Energy, Chennai | 27/02/2024 | Students- 102 |
| 4 | A workshop on Indian Patent rights | Dr. P. Phani Prasanthi Professor, Department of Mechanical Engineering, PVPSIT Vijayawada | 27/03/2024 | Students- 125 |
