Report

Book Review Session 2

Dated: 31-7-2025

The Readers' Club of Siddhartha Academy of Higher Education successfully conducted **Book Review Session** on **31 July 2025** at the ELCS Lab S&H Block-II. The session gained added significance as it was organized in remembrance of the birth anniversary of the eminent Hindi literary figure **Munshi Premchand**, whose works continue to inspire generations of readers through their deep social insight and humanistic values.

Dr. Vishnu Vandana Devi, Convener of the Readers' Club, warmly welcomed the gathering and addressed the participants. In her remarks, she reflected on the enthusiastic participation and encouraging response received during the earlier sessions, highlighting the steady growth of student engagement. She reiterated the primary objectives of the Readers' Club — fostering a consistent reading habit among students, encouraging exploration of diverse literary genres, and enhancing confidence in expressing ideas and critical perspectives.

She also acknowledged and appreciated the dedicated efforts of the faculty members of the club for mentoring and guiding students throughout their preparation.

The session witnessed active participation from students of B.Tech and MCA programmes, who presented thoughtful and engaging reviews of their selected books. Their presentations demonstrated noticeable improvement in communication skills, confidence, and critical thinking abilities, reflecting the positive impact and growing influence of the Readers' Club.

The programme also served as a tribute to Premchand's literary legacy, emphasizing how literature functions as a powerful medium for social awareness, empathy, and intellectual development. The encouraging feedback received from students and faculty has motivated the club to plan more enriching activities in the future, including theme-based book reviews, debates, author interactions, and workshops aimed at strengthening the literary culture on campus.

Dr. B. Neelambaram, Dr. M. Jayaranjan, Dr. Hetcharla Narendra, and Dr. A. Venugopal Reddy, along with the Assistant Librarian, were also present on the occasion, contributing to the success and celebratory spirit of the programme.
