

M.Tech (AI & DS) Placement Achievements:

The Department of Artificial Intelligence proudly celebrates the placement achievements of its M.Tech (AI & DS) students. Somu Likitha (25EP01011) was selected for TCS Digital with a package of 7 LPA, while Sri Poojitha Busireddy (25EP01001) secured TCS Prime with a package of 9 LPA. Their success reflects their dedication, technical skills, and commitment to excellence. The department congratulates both students and appreciates the faculty and mentors for their valuable guidance and support.
